Hi Gareth,

Thanks for calling me last week with the news about David Toulson-Burke's interest in leasing The Cabinet. I also heard yesterday from Ken Langley from Reed PC re: your email to him stating that *"the property is currently under offer for the leasehold interest and that solicitors have been instructed ... The ingoing tenant's intention is to open the property once again as a pub/restaurant – for the whole of the building"*.

I haven't heard from DT-B yet regarding meeting us; are you in a position to give him a polite nudge?

Regards,

Mike.
